LYSANDRA VUONG

An engineering student with a knack for the arts and design. Hard working and detail-oriented, I want to combine both of my passions to create solutions for human centered design and engineering.

EXPERIENCE

DAILY TROJAN

September 2016-
Artist

Illustrated comics and visuals weekly for the University of Southern California's student-run newspaper, "The Daily Trojan."

PREMIUM FURNITURE FOR LESS

Desk Clerk

Cataloged orders and organized invoices. Assisted and ran errands for staff.

CLEFT PALATES IN VIETNAM

President/Founder
Non-profit organization

Raised over \$5,000, paying for 20 children's facial reconstructive surgeries at the Odonto Maxillo Facial Hospital of Ho Chi Minh City. Coordinated art shows at local coffee shops, initiated local fundraisers, and fulfilled art commissions to generate funds.

DESIGN FOR AMERICA

Member

Member of a highly-selective organization focused on solving local human-centered problems using teamwork, design of all varieties, and empathy. Currently building a project to depolarize the political scene within the community.
